Personal details

Name	**CHANDRA SHEKHAR MURMU**
Address	Department of Astronomy, Astrophysics and Space Engineering Indian Institute of Technology Indore (IIT Indore) Khandwa Rd., Simrol 453552, India
Designation	PhD student
Email	chandra0murmu@gmail.com
Webpage	chandra-001.github.io
LinkedIN	linkedin.com/in/chandra-shekhar-murmu-37b191118

Research interests

Primary interests include:

- Probing Cosmic Dawn and Epoch of Reionization (CD & EoR) with line-intensity mapping (LIM), e.g., $[\mathrm{H\ I}]_{21\mathrm{cm}}$, $[\mathrm{C\ II}]_{158\mu\mathrm{m}}$ signals from the EoR
- Various cross-correlation studies of LIM signals
- Structure formation with cosmological simulations (N-body and hydrodynamic simulation)

Other interests include understanding properties of high-redshift ($z > 6$) galaxies and modelling of dark matter.

Career and Education

Aug, 2021 - Present	Research Scholar (PhD), *Senior Research Fellow* (CSIR-SRF) Department of Astronomy, Astrophysics and Space Engineering Indian Institute of Technology Indore (IIT Indore), India
Aug, 2019 - July, 2021	Research Scholar (PhD), *Junior Research Fellow* (CSIR-JRF) Department of Astronomy, Astrophysics and Space Engineering Indian Institute of Technology Indore (IIT Indore), India
July, 2016 - June, 2018	Master of Science (M.Sc.) in Physics, Presidency University, Kolkata, India
July, 2013 - June, 2016	Bachelor of Science (B.Sc.) in Physics, Presidency University, Kolkata, India

Awards

Aug, 2021	Recipient of Senior Research Fellowship (SRF) Council of Scientific and Industrial Research (CSIR), India
Jan, 2019	Recipient of Junior Research Fellowship (JRF) Council of Scientific and Industrial Research (CSIR), India

Teaching

- Teaching assistant for laboratory course - 'Optics', Astronomy, IIT Indore (Spring semester, 2020)
- Teaching assistant for taught course - 'Relativity and Cosmology', IIT Indore (Fall semester, 2020, 2021-present)

Event organizing

Jan, 2020	Volunteer for organizing international conference on "Observing the first billion years of the Universe using next generation Telescopes", IIT Indore

Conferences / Workshops

- Lightning talk at the SALFVIII (6-9 December 2021)
- Poster at the 4th Global 21-cm Workshop (11-14 October 2021)
- Talk at the SKA-India Workshop on 21-cm Cosmology and Reionization (19-23 April 2021)
- Poster at the A Precursor View of the SKA Sky (15-19 March 2021)
- Poster at the Astronomical Society of India Meeting 2021 (18-23 February 2021)
- Poster at the SAZERAC-SIP on the 21-cm Signal from Cosmic Dawn and the Epoch of Reionization (29 Jan 2021)

Key skills

Programming languages	**C++** (intermediate - advanced level), **C** (intermediate - advanced level), **Python** (intermediate level)
Parallel computing	**OpenMP** (basic-intermediate level)
Plotting tools	**ProPlot, seaborn** (intermediate level), **Matplotlib** (intermediate level), **Gnuplot** (basic level)
Version control	**Git** (basic level)
Operating system handling	**Linux/Unix** like OS (intermediate level)
Web development	**HTML** (basic), **CSS** (basic)

Publications (peer-reviewed)

arXiv: https://arxiv.org/a/murmu_c_1.html
publons: https://publons.com/researcher/4713225/chandra-shekhar-murmu/
ORCiD: https://orcid.org/0000-0002-1818-5440

As **first** author:

year: 2021

In the *Monthly Notices of the Royal Astronomical Society:*
